## ABOUT

Inspiresafety Foundation is on a mission to create a safety-oriented culture among common people. With the firm belief that every accident not only robs us of precious lives but also inflicts a national financial loss, the foundation has dedicated itself to strengthening and supporting government initiatives through education and training. Whether it's reducing road mishaps, fire-related tragedies, construction site hazards, or industrial accidents, InspireSafety Foundation works tirelessly to empower communities to build safer environments.

## WHY LISA 2026?

- Recognizing industry leaders in safety innovation
- Encouraging best safety practices in lifting operations
- Inspiring professionals to adopt global safety standards
- Networking with top safety experts and policymakers

## Our Impact ( 2019-2026 ):

- 500+ Training Sessions Conducted
- 10,000+ Individuals Trained
- Safety Workshops in 10+ States
- Collaborations with 3,000+ Companies

At LISA 2026, we celebrate visionary leaders who inspire change, drive innovation, and set new benchmarks in safety excellence, transforming workplaces into environments that are safer, stronger, and truly sustainable.

Because true leadership is not defined by targets achieved but by lives protected and risks prevented.
